Re: Miss Belle of the Bayou Pageant Sponsorship
Miss Heart of the Belle Philanthropy Fundraiser

To Whom This May Concern:

The Miss Belle of the Bayou Pageant Organization is ecstatic to announce its return to Louisiana’s capital city for its second annual pageant. The Miss Belle of the Bayou Pageant was created under the hopes of becoming one of the most well-rounded pageantry initiatives designed for youth and young adult women with a desire and passion to make a difference. Since the founding of the organization, the pageant is becoming a stapled-initiative for education, social awareness, and community service. Furthermore, Miss Belle of the Bayou is an official preliminary pageant in the Miss Louisiana Scholarship Organization, with Miss and Outstanding Teen winners advancing to the Miss Louisiana Pageant in Monroe, LA. It is extremely important to our organization that more opportunities are created for young women to be involved in something uplifting and empowering, while offering the prospective ability to make a difference in our community, state, and country. The Miss America Organization was chosen because of its purposeful mission, its extraordinary scholastic incentives, and its outstanding legacy to provide young women a substantive platform to make a difference.

The pageant embraces the spirit of the bayou state, and challenges each of the participants to explore their own unique identity. All of the contestants have the option of participating in the philanthropic effort used to benefit the healthcare needs of children (Children’s Miracle Network). The winner of this endeavor will be named *Miss Heart of the Belle* in lieu of her caring heart to help others in such a philanthropic manner. As the Director of this initiative, it is my personal goal to raise a substantial amount of monetary support to benefit the Children’s Miracle Network Campaign and to aid our local pageant winners with awards and scholarship incentives.

In order to reach our goal, we are in need your support. The levels of sponsorship are attached, and your sponsorship dollars will not only benefit the aforementioned endeavors but will also help procure our vision with abetting in organizational costs and Miss America system requirements. Please be the difference you would like to see in our community, by supporting this endeavor. Feel free to contact our organization should you need more information (info@missbelleofthebayou.com). We truly appreciate your generosity, and look forward to updating you on the progress of our efforts.

Lastly, you are more than welcome to join the fun at the local pageant! Whether you are able to contribute as a sponsor or not, we’d love to have you in the audience as a physical support for what will be an exquisite night of pageantry!

Sincerely,

Avery D. Wilson, Director
